Dear Area Resident,

On Sunday, July 27, 2014, **Prairie State Cycling Series** will be hosting a day of competitive bicycle races through your neighborhood. A map identifying the racecourse route and street closures is shown to the right.

The following is an anticipated schedule of the day's events:

6:00 p.m. – Bike races end

9:00 p.m. – Anticipated completion of all race activities on public streets although many streets expected to be open earlier

The bicycle races will be taking place on a closed racecourse.

- **No vehicles will be allowed to park on the racecourse or drive on the racecourse during the event.**
- We request that if you need to leave your home or business during the event that park your vehicle outside the racecourse prior to the start of the event.
- If you wish to cross the racecourse on foot, police officers or volunteers will be at certain intersections and crossing points to assist you. If participants are approaching any intersection or crossing point, there may be a slight delay in your crossing.

We understand this may be an inconvenience for you and appreciate your understanding.

Our goal is to bring back a high quality and family-friendly cycling event to the Village of Downers Grove that will benefit the community and its residents.

If you would like more information about this event or have any questions regarding this event, please contact **Race Director Marco Colbert** at mfc@prairiestatecyclingseries.com or call 847-644-0277.
